

4/3/23: Reminders: When calling family members with client updates, you MUST use your client's landline to make such calls. Only if your client doesn't have a landline may you use your cellphone. If you must use your cellphone, you MUST first block your number by dialing *67. No client, client's family member/friend should have your number. If you would like to opt out of text messages, please call 570-385-2818.
