

8/24/23: Updates: Due to the multiple increases in employee pay rates during the last year or so, we are discontinuing merit raises until further notice. We will continue to monitor what our industry average is and make adjustments if necessary. Also at this time, we will no longer be performing annual performance evaluations. Any questions, please call. If you would like to opt of the messages, please call 570-385-2818.
